

## 2.2 *Project Delivery*

The project was delivered by TCAN (Torbay Culture and Arts Network). TCAN is a group of artists and arts and cultural organisations working in and around Torbay. They are invested in collaborating around the co-design and delivery of creative interventions that support the health and wellbeing needs of Torbay individuals and communities. Four TCAN artists led the project; Ruth Ben-Tovim, Hugh Nankivell, Sue Smith and Estelle Buckridge

The project was managed by lead organisation Daisi, an arts development organisation working across Torbay and Devon and member of TCAN since inception.
